Hilbert Curve

ERA Praktikum

Valentin Kostadinov, Daniel Baur, Mark Bley

February 3, 2019

Technical University of Munich

Table of contents

1. Introduction

2. Visualization

3. Demo

Introduction

Introduction

- space filling curve (fills a square)
- store 2D Data in 1D linear order
- used in CS image processing
- can also be extruded to fill 3D space (cube)
